REPORT

PLASTIC FREE CAMPUS DRIVE

In a concerted effort to promote environmental sustainability and reduce plastic pollution, a "Plastic Free Campus Drive" was organized from 15-02-2020 to 30-03-2020. The initiative aimed to raise awareness, foster a sense of responsibility and implement practical measures to minimize the use of single-use plastics within the campus premises.

The drive kicked off with an intensive awareness campaign to educate about the adverse effects of plastic on the environment. Informational sessions were conducted, emphasizing the need for collective action in addressing the plastic menace. Plastic collection and recycling stations were strategically placed across the campus, encouraging individuals to deposit plastic waste for proper disposal. The Nature's Club of D.T.S.S. College of Law and the Rotaract Club of D.T.S.S. College of Law were given the responsibility to monitor the progress of the plastic-free drive and ensure compliance within the guidelines. Regular inspections were conducted.

The drive served as a testament to the institution's commitment to environmental sustainability and generated a positive impact on the mindset and habits of students, faculty and staff.
