Course Title:- CRIMINOLOGY AND PENOLOGY (Elective Course)

Course Code:

Credits: 4

COURSE OBJECTIVES:

Crime is a concept having changing dimensions according to social, economical, political and legal dimensions. Science and technology have also impacted on patterns of crime. Thus, this Course aims to give a basic idea of concepts like crime, criminal law, administration system etc. and to make students acquainted with criminology, penology and victimology in detail. This course offers a specialist understanding of criminal policies including theories of punishment, their supposed philosophical and sociological justifications and the problems of exercise of discretion in sentencing. In addition the course introduces students to the factors leading to criminal behaviour and modern approach of courts in awarding punishments. A general idea of criminal justice system is to be put forth through this course. In addition the course introduces students to the discipline of victimology which will shift the study from accused centric approach to much needed victim centric approach.

COURSE OUTCOMES:

After completing this course, students will be able to:

1. Understand various forms of crimes and criminals;

NOTICE

PSYCHOLOGY SESSIONS

All the students of P.Y. LL.B. & S.Y. LL.B. are hereby informed that starting from 09-01-2023, we will be conducting compulsory psychology sessions for all students. These sessions will be held every Thursday and will be facilitated by a qualified counseling psychologist. We believe that understanding psychology is essential for personal growth, academic success, and overall well-being. These sessions will cover various topics including but not limited to:

- Understanding emotions
- Coping with stress and anxiety
- Building resilience Enhancing interpersonal relationships
- Developing self-awareness

Attendance to these sessions is mandatory for all students. We encourage you to actively participate and engage in the discussions to make the most out of this opportunity. Please find attached the timetable detailing the schedule for the psychology sessions.

If you have any questions or concerns regarding the psychology sessions, feel free to reach out to Ms. Poojanja Kambal from 10:00 - 12:00 noon.

TOP FLOOR DETAILS – SOLAR PANELS AND WATER TANKS

Solar panels installed on the Law Building's top floor harness solar energy, converting sunlight into electricity. This renewable energy source supports sustainable practices within the building, reducing reliance on traditional power grids and lowering carbon footprints. By utilizing solar panels, the Law Building exemplifies a commitment to environmental responsibility, demonstrating leadership in adopting clean energy solutions. The Water Tanks are also on the 7th Floor.

7th FLOOR DETAILS

The seventh floor of the Law Building accommodates essential facilities such as Boys' and Girls' Common Rooms, providing dedicated spaces for relaxation and interaction. Additionally, it houses a Legal Aid Centre, likely offering legal assistance and services to the community. The NAAC/Board Room likely serves administrative purposes, storing records and documentation critical for institutional operations and accreditation processes. Together, these spaces on the seventh floor support both student needs for social interaction and academic requirements for legal research and administrative functions within the Law Building.

NSS OFFICE DETAILS

The ground floor houses an NSS (National Service Scheme) Office, serving as its operational hub. This space is dedicated to coordinating and facilitating NSS activities, including volunteer management, event planning, and community outreach initiatives. It likely features administrative offices, meeting rooms, and storage areas for NSS equipment and resources. This centralized location ensures efficient management and accessibility for students and staff involved in NSS programs, fostering a proactive approach to community service and social responsibility within the institution or organization.

STACK PARKING

The ground floor featuring stack parking facilities means that the parking area utilizes a vertical stacking system. Vehicles are parked on top of each other using hydraulic lifts or mechanical systems, maximizing the use of available space efficiently. This method is particularly beneficial in urban areas with limited parking space, allowing multiple vehicles to be parked in a compact area. It requires careful maneuvering and coordination to access and retrieve vehicles, ensuring efficient use of ground-level space while providing maximum parking capacity.
