

Sanskar Sarjan Education Society's
DHIRAJLAL TALAKCHAND SANKALCHAND SHAH COLLEGE OF LAW
[D.T.S.S. College of Law]

ANNUAL REPORT
[A.Y. 2021–22]
14th June, 2021 – 14th May, 2022

Dhirajlal Talakchand Sankalchand Shah College of Law [D.T.S.S. College of Law] is established under the aegis of the Sanskar Sarjan Education Society, a distinguished educational trust founded in 1964 by philanthropist *Shri Dhirajlal Talakchand Shah* and a dedicated group of like-minded visionaries. As its name reflects, the Society was envisioned as a mission to instil Sanskar (values) in society by providing accessible, inclusive, and value-based education to students from all economic strata.

The Society has consistently worked towards the upliftment of Kurar Village, a slum-dominated and historically underprivileged locality in Malad (East), Mumbai, where access to quality education was once a distant dream for the majority of its residents. Through its various institutions ranging from primary to post-graduate level, the Sanskar Sarjan Education Society has remained steadfast in its commitment to empower the marginalized and to build a better society through holistic education.

As a natural expansion of its educational initiatives, the Society established the D.T.S.S. College of Law in 2018. This institution is the newest addition to the Sanskar Sarjan Group of Institutions and is named in honour of its illustrious founder, *Shri Dhirajlal Talakchand Shah*. Strategically located beyond the Western Express Highway in Malad (East), the college stands as a beacon of legal education and social transformation.

Since its inception, the College has grown from modest beginnings to a fully-equipped, modern legal institution with state-of-the-art infrastructure and learning facilities. It caters especially to the educational needs of neglected and underprivileged students from the surrounding areas.

The College offers a holistic educational experience that balances academic rigour with co-curricular development. Its dedicated management and faculty team are committed to shaping not only well-qualified legal professionals but also socially responsible citizens. Through its comprehensive teaching-learning process, the institution continuously strives to imbibe ethics, morals, and values in its students, in alignment with the founding ideals of nation-building through education.

Our Logo

The logo of Dhirajlal Talakchand Sankalchand Shah (D.T.S.S.) College of Law, under the Sanskar Sarjan Education Society, is rich with symbolism, deeply rooted in values of education, enlightenment, and cultural integrity. The *Lotus* represents purity, wisdom and growth. It reflects the idea of rising above adversity, much like the students who, through education, overcome social and economic challenges, thereby mirroring the development of legal intellect and ethical consciousness in law students. The radiating “*Black-and-White Rays*” symbolize the spreading knowledge and enlightenment and the alternating colour scheme signify balance, justice and the duality of law i.e., right and wrong, light and shadow, equity and fairness. *The saffron Golden Border and the Ring* symbolizes tradition, honour and institutional heritage. The use of saffron and gold tones denotes nobility of purpose, sacrifice and enlightenment which are core values in legal education and public service. The *name encircling the Logo* – “Sanskar Sarjan Education Society” shows that the law college is part of a larger educational mission, driven by value-based learning and community upliftment. The *Sanskrit Motto* at the base reflects prosperity through values. It emphasizes the core principle that value-based education leads to personal and societal growth. The organization name – “*Sanskar Sarjan Education Society*” below the visual reinforces the institution’s identity and legacy in the field of education.

Motto

That is knowledge which liberates.

Vision

To be universally respected institution making quality the defining element of knowledge of education, sculpting principles and inspiring students to become good human being spreading prosperity, peace, harmony and happiness around.

Mission

- To make higher education accessible to more and more students so that they are able to face challenges of life with positive attitude.
- To give opportunities for learning to the students of socially backward areas without discrimination of caste, creed and community.
- To prove quality and excellence in education.
- To make students responsible citizens of the country.

Core Values

Honesty, Integrity & Fairness, Students as a source of Strength, Passion for Excellence, Team Building, Innovation & Creativity.
