

Dhirajlal Talakchand Sankalchand Shah College of Law [D.T.S.S. College of Law] is established under the aegis of the Sanskar Sarjan Education Society, a distinguished educational trust founded in 1964 by philanthropist *Shri Dhirajlal Talakchand Shah* and a dedicated group of like-minded visionaries. As its name reflects, the Society was envisioned as a mission to instil Sanskar (values) in society by providing accessible, inclusive, and value-based education to students from all economic strata.

The Society has consistently worked towards the upliftment of Kurar Village, a slum-dominated and historically underprivileged locality in Malad (East), Mumbai, where access to quality education was once a distant dream for the majority of its residents. Through its various institutions ranging from primary to post-graduate level, the Sanskar Sarjan Education Society has remained steadfast in its commitment to empower the marginalized and to build a better society through holistic education.

As a natural expansion of its educational initiatives, the Society established the D.T.S.S. College of Law in 2018. This institution is the newest addition to the Sanskar Sarjan Group of Institutions and is named in honour of its illustrious founder, *Shri Dhirajlal Talakchand Shah*. Strategically located beyond the Western Express Highway in Malad (East), the college stands as a beacon of legal education and social transformation.

Since its inception, the College has grown from modest beginnings to a fully-equipped, modern legal institution with state-of-the-art infrastructure and learning facilities. It caters especially to the educational needs of neglected and underprivileged students from the surrounding areas.

The College offers a holistic educational experience that balances academic rigour with co-curricular development. Its dedicated management and faculty team are committed to shaping not only well-qualified legal professionals but also socially responsible citizens. Through its comprehensive teaching-learning process, the institution continuously strives to imbibe ethics, morals, and values in its students, in alignment with the founding ideals of nation-building through education.

## Our Logo

The logo of Sanskar Sarjan Education Society is a visual representation of its mission to impart value-based, liberating education. At its core, the logo features an open book, a timeless symbol of learning, wisdom, and knowledge — fundamental elements in the study and practice of law. Emerging from the center of the book is a light blue flame or leaf-like motif, symbolizing enlightenment, growth, and the pursuit of truth — essential ideals of legal education. The Sanskrit inscription “सा विद्या या विमुक्तये” (Sā Vidyā Yā Vimuktaye) translates to “*That is knowledge which liberates*”, emphasizing the Society’s commitment to education that frees the individual intellectually, socially, and morally. The varying shades of blue evoke a sense of integrity, trust, and calm virtues integral to the legal profession. Together, the elements of the logo encapsulate the Society’s vision of nurturing legally aware, ethically strong, and socially responsible individuals who will uphold justice and the rule of law in society.
